Protest*

**Duke, Daphne**

**From:** Barbara Summers <  
**Sent:** Saturday, August 15, 2020 11:33 AM  
**To:** PSC\_Contact  
**Subject:** [External] Rate increases

No one, not water, electric or sewer or any one utility serving the public needs a rate increase of any kind in the near future. We are having a hard enough time paying rent and buying food and trying to care for family and relatives ,somewhere who are ill, we can't pay more if what we don't have..money!
